

The Top 4 Issues—Solved!

DARK-CIRCLE CAMOUFLAGE

Step 1
‡ Choose Your Disguise

Pu y eyes Some pu ness is genetic, and no eye cream will erase or reduce it. But if your bags come and go, uid retention is probably the cause. Salty dinners, late

eye cream, and let it soak in for a minute. Then apply foundation (if you wear it), including under your eyesthis will erase some of the darkness so you can use less concealer. A concealer brush will give you the most expertlooking coverage, though a well-placed nger works, too. Paint the cover-up from the inner corner of the eye to the midpoint beneath the eyeball, then feather it out, blending away any
