

MYTRAINING: HOW TO ARCHIVE A SESSION

Archiving a session will remove it from the **Registered Session** carousel, as well as your myTraining Transcript.

1. Find the session from your **Registered Sessions** carousel. Click on the ellipses (...) and select **View Training Details**.

2. On the right side of the page, select **Move to Archived Transcript**.

Last Updated January 17, 2020

3. Select **Archive**.
